

Coworking Member Handbook 2026-27

HarborWorks Coworking

1. Membership and Onboarding

Membership begins after identity verification, a signed agreement and payment of the first monthly invoice. New members must complete a 30-minute orientation within 5 working days of activation. Each membership is assigned to one named person and cannot be shared or transferred without written approval. Members must update contact and billing details within 7 calendar days of a change. The minimum membership term is 3 months, after which cancellation requires 30 calendar days of written notice. Reception issues a personal access card on the first visit. A replacement card costs INR 300, and the previous card is disabled before the replacement is activated.

2. Desk Allocation and Reservations

Hot-desk members may reserve one desk for up to 8 hours per day through the booking portal. Reservations open 7 calendar days before use and must be cancelled at least 2 hours before the start time. A desk not occupied within 30 minutes of its booked start may be released to another member. Dedicated desks are assigned for one calendar month at a time and must not be exchanged privately. Personal items may remain only at dedicated desks; hot desks must be cleared at the end of each visit. Three missed reservations within a month result in a 7-day booking restriction. Reception resolves allocation disputes within 2 working days.

3. Meeting Room Booking

Each active member receives 6 meeting room hours per calendar month. Unused hours expire at month end and cannot be transferred to another account. Additional room use costs INR 500 per hour, billed in 30-minute units. A single booking may last no more than 3 hours and may be made up to 14 calendar days ahead. Members must cancel at least 4 hours before the start to avoid losing the reserved hours. The booking owner is responsible for guest conduct, capacity limits and returning the room to its original arrangement. Report equipment faults to reception within 15 minutes of arrival so an alternative room can be considered.

4. Visitor Registration and Hosting

Members may host up to 3 visitors at a time during staffed reception hours. Each visitor must present identification and sign in before entering the workspace. The host must register visits at least 2 hours in advance and remain present throughout the visit. Visitor access lasts up to 4 hours and does not include independent desk use or equipment borrowing. Visitors receive a temporary badge that must be returned when leaving. Larger groups require written approval from the community manager at least 2 working days ahead. Hosts are responsible for ensuring that visitors observe quiet zones and do not access private offices or member storage.

5. Internet and Network Use

The shared network is available to active members through individual credentials issued during onboarding. Members must use passwords of at least 12 characters and must not share network accounts with visitors. Each account may connect up to 3 devices at the same time. Large uploads exceeding 20 GB should be scheduled after 6:00 p.m. to reduce congestion. Running public servers, bypassing network controls or accessing another member's devices is prohibited. Report a suspected account compromise to support within 1 hour of discovery. Support acknowledges network outage reports within 30 minutes during staffed hours and posts service updates every 2 hours.

6. Printing and Scanning Services

Members receive 100 black-and-white printed pages per calendar month. Additional black-and-white pages cost INR 2 each, while colour pages cost INR 10 each and are not included in the free quota. Double-sided printing counts as 2 pages per sheet. Scanning is free for files of up to 50 pages per job, and larger jobs must be split or booked with reception. Unused print credits expire at month end and cannot be exchanged for cash. Members must collect printed documents within 15 minutes and remove confidential originals from the scanner immediately. Billing disputes must be reported within 5 working days of the monthly usage statement.

7. Kitchen and Refreshment Facilities

The shared kitchen is open from 8:00 a.m. to 8:00 p.m. on working days. Tea and coffee are included in membership, with a fair-use limit of 4 cups per member per day. Members must label stored food with their name and date, and refrigerated items may remain for no more than 48 hours. Unlabelled or expired items are removed at the daily 7:00 p.m. cleaning round. Cooking with personal heating appliances is prohibited, but the supplied microwave may be used for up to 5 minutes per turn. Members must wash reusable utensils immediately after use. Report spills or damaged appliances to reception within 10 minutes so the area can be cleaned or isolated.

8. Lockers and Personal Storage

Active members may rent one locker for INR 400 per calendar month, subject to availability. A refundable key deposit of INR 500 is collected before the locker is assigned. Lockers may hold personal work items but must not contain food, flammable materials or items belonging to visitors. Members must report a lost key within 2 hours of discovery; replacement and lock servicing cost INR 350. Locker access is limited to workspace opening hours. Contents must be removed within 3 working days of membership ending. Uncollected items are held at reception for 30 calendar days before disposal, and the deposit is refunded within 10 working days after inspection.

9. Membership Fees and Refunds

Monthly membership invoices are issued on the 1st and must be paid by the 5th calendar day of the month. Late payment attracts INR 100 per day, capped at INR 1,000 for that invoice. Access may be suspended after 10 calendar days of non-payment until the overdue balance is cleared. A refundable membership deposit equal to one month of fees is returned within 15 working days of cancellation, after deduction of unpaid invoices and documented damage charges. Paid monthly fees are not refunded for unused visits. A billing query must be raised within 7 calendar days of invoice receipt, and Finance provides an initial response within 5 working days.

10. Access Hours and Building Security

Members must leave the workspace by 10:00 p.m. on working days. Standard access opens at 7:00 a.m. Monday to Friday and runs from 9:00 a.m. to 6:00 p.m. on Saturdays; the workspace is closed on Sundays. Entry outside these hours requires written approval from the community manager at least 1 working day ahead. Each person must use an individual access card, and allowing another person to follow through a secured door without signing in is prohibited. Report a lost access card to security within 1 hour so it can be disabled. Security may request identification at any time, and members must sign out when leaving after staffed reception hours.

11. Equipment Borrowing and Late Fees

A member may borrow up to 2 equipment items at a time for a period of 3 calendar days. Available items include webcams, adapters and portable monitors, subject to stock and reception approval. Borrowing requires an active membership and a signed checkout record listing each item's condition. A late fee of INR 100 per item per day applies after the due date. Extensions of up to 2 additional days require approval before the original return deadline. Equipment must remain inside the building and must be returned to reception during staffed hours. Any damage or missing accessory must be reported immediately; replacement charges are assessed after inspection.

12. Conduct and Complaint Resolution

Members must keep calls out of designated quiet zones and use headphones for audio at all times. A first noise complaint normally results in a documented reminder; a second within 30 calendar days results in a written warning. Repeated disruption may lead to a 7-day suspension after review by the community manager. Members may submit complaints by email or at reception, with acknowledgement within 2 working days and an initial response within 7 working days. Unresolved complaints may be escalated to the operations head within 10 working days of that response. Harassment, threats and deliberate property damage are referred immediately for formal review. Retaliation against a complainant is prohibited.
